OUR PRESCRIBER SERVICES

Beyond Medication Management

We now offer a Mental Health touch stone. Micah Stansfield-Duvall, Advanced Registered Nurse Practitioner (ARNP), offers Medication Management, Medication Evaluations, psychotherapy and education.

Working closely with your therapist and primary care provider, our prescribers offer medication management, 2nd opinions on medication and dosage, medication recommendations or additional education and care.

Micah can be of assistance with mental health needs such as: Anxiety, Depression, ADHD, Bi-polar, Mood Disorders, Panic Disorders, Evaluations, Medication Management and more.

WHO WE ARE

Traverse Therapy Services now offers Medication Management as part of our expanded care.

We still provide compassionate, accessible and effective psychotherapy services for mental health and addiction.
