OUR PRESCRIBER SERVICES

Beyond Medication Management

Our team offers psychiatric medical services. Micah Stansfield-Duvall, DNP, FNP, offers medication evaluations and management, psychotherapy and education.

Working closely with your therapist and primary care provider, our prescribers offer medication management and recommendations, additional education and care.

Micah can be of assistance with mental health needs such as: Anxiety, Depression, ADHD, Bipolar Disorder, Mood Disorders, Panic Disorders, evaluations, medication management and more.

WHO WE ARE

Traverse Therapy Services now offers medication management as part of our expanded care.

We still provide compassionate, accessible and effective psychotherapy services for mental health and addiction.
